

The membership form should be self explanatory there is nothing more than your family information. Here is some guidelines on some common questions

1. We are asking for two emails (ideally one of each parent's).
2. We are asking for Company name / Profession – these information are to better connect.
3. Children Grades – Please fill the grade that the child will attend in school the next academic year.
4. If the child is planning to attend the language class please the language.
5. When you click “**Submit**” the following happens
 - a. It checks for your information valid format of information, points any error message
 - b. Once the form accepts completed data, it's download a PDF file (CMPMembershipform2014xxxxxxx.pdf) .
6. Please open this file and print it.
7. Sign the form and bring it to the center for registration completion.
